# Learn More

## Day 1- May 12

After Mass at St. Mary's, we head to the **Shrine of the Grotto of the Redemption** in West Bend, IA. The Grotto was built to honor the Blessed Virgin Mary by the artist, Fr. Dobberstein, to fulfill a promise to her after he recovered from a life-threatening bout of pneumonia. These structures are crafted from an astonishing array of rocks and precious stones, symbolizing Jesus Christ's redemption through artistry and geology. Each of the 9 grotto's depicts a key aspect of Jesus' life. (D)

## Our Lady of Snows

## Day 2- May 13

We'll depart in the morning for the iconic **Gateway Arch** in St. Louis, MO - the tallest manmade monument in the US and the tallest arch in the world! Head to the top for a spectacular view and take time to explore this one-of-a-kind National Park. We will celebrate Mass in the afternoon. (B, D)

## Day 3- May 14

On our third day, we see **Our Lady of Snows Shrine** in Belleville, IL. This National Shrine is run by the Missionary of Oblates of Mary Immaculate. This beautiful area can claim the title of the largest outdoor Marian Shrine in the U.S. Spend a peaceful morning here with time for pray and reflection plus celebrate Mass on site. There are various stopping spots you will want to check out such as the Annunciation Garden, Father's Memorial Wall, the gift store and a replica of the Lourdes Grotto in France. (B, D)

## Day 4- May 15

On the final lap of our tour, we will visit **Archbishop Fulton Sheen's tomb in the Cathedral of St. Mary of the Immaculate Conception** in Peoria, Illinois. Fulton Sheen had a pioneering spirit by using modern technology to share the message of Jesus with the world. He even won an Emmy in 1952 beating out stars such as Lucille Ball. A quick stop to enjoy a stretch break in Dyersville, IA at the **Field of Dreams**, home of the 1989 famous baseball movie. (B, D)
